

Certified Banking CYBERSECURITY MANAGER™

THE CERTIFIED ADVANTAGE:

- With the guidance of a cyber expert, **complete the FFIEC Cybersecurity Assessment** for your institution.
- Build a **solid foundation** of understanding for the **FFIEC guidance**.
- Gain the knowledge to **better defend** cybersecurity threats.

This onsite certification is delivered over two days. It provides an opportunity to work closely with a security expert and network with peers.

WHAT YOU WILL LEARN:

- Cybersecurity Overview
- Inherent Risk
- Risk Maturity
- Cybersecurity Policy
- Effective Cybersecurity Reporting and Decision-Making
- Cybersecurity Audit
- Enterprise Risk Management

TESTIMONIAL:

"I was fortunate enough to be involved in the first offering of the certification program and due to the program's benefits, I continue to renew each year. Each year I learn something new and more innovative ways to grow the bank's program. SBS has been a resource not only for their certification programs, but also as a security partner."

- Rachel Losey, PA
