

ABA Wealth Advisory and Personal Trust Series

The four workbooks in the **Wealth Advisory and Personal Trust Series** are recommended for personal trust administrators, private bankers, portfolio managers, and other wealth advisors as a desk reference and as a study resource for the [Certified Trust and Financial Advisor \(CTFA\) exam](#). Each section in every workbook has chapter review questions and answers, a sample test and answers, and a list of additional resources on the Internet and in print.

Each workbook can be purchased individually for those concentrating on or needing a refresher on a specific area of the trust market. And all 4 workbooks in the series can be purchased at a discount. The workbooks are the reading materials for the [ABA Online Review Course for the CTFA Exam](#).

The [ABA Fiduciary and Trust Activities Workbook](#) covers: Trust and Probate Law and Custom, Investment Responsibilities of a Trustee, Environmental Law, and Ethics.
