

# UP TO **\$5,000** REWARD

Nothing is more important to us than the safety of our employees and customers. That's why Arkansas financial institutions, the Arkansas Bankers Association, and area law enforcement agencies have teamed up to stem the tide of bank robberies. Together, we are offering a reward of up to \$5,000 for original information leading to the arrest and conviction of persons involved in robberies of Arkansas commercial banks.

If you have information about any financial institution robberies committed in Arkansas, please call the Crime Stoppers Hotline at 371-INFO (371-4636) or the FBI at 501-221-9100, and contact the appropriate state or local law enforcement agency.

Callers remain anonymous. If your information leads to the arrest and conviction of persons committing these crimes, you may be eligible for a cash reward.
