

COMPLIANCE UPDATE

September 28, 2020

9:30 a.m. - 11:00 a.m.

Join Compliance Alliance for a seminar geared at keeping you abreast of the evolving regulatory trends and hot topics so that you fully understand the new and developing landscape of banking compliance. As COVID-19 continues to evolve, so does its impact on both legal and regulatory issues for financial institutions. Staying up to date of all changes is critical. Compliance Alliance will offer you the most up-to-date information available regarding new laws, regulations and compliance updates, providing brief synopses of major changes, including Regulation CC, Flood, BSA/AML, and CRA, all to ensure that you are remaining current with the necessary compliance framework.

Founded in 2011, Compliance Alliance is the only banking industry compliance resource that is owned, operated and managed by 29 State Bankers Associations. Based on the needs of community bankers, Compliance Alliance provides its members an all-inclusive set of bank compliance tools and services that help them stay up-to-date with consumer and regulatory requirements.
